GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 10T.L.—24th April 1931.—The following report of the Select Committee on the Calcutta Improvement (Amendment) Bill, 1931, with the Bill as amended by the Committee, is hereby published for general information.

REPORT OF THE SELECT COMMITTEE ON THE CALCUTTA IMPROVEMENT (AMENDMENT) BILL, 1931.

We, the members of the Select Committee of the Bengal Legislative Council, to which the Calcutta Improvement (Amendment) Bill, 1931, was referred by a motion carried in the Bengal Legislative Council on the 11th February, 1931, have the honour to submit this our report with a copy of the Bill, as amended by us annexed. All matter omitted by the Select Committee has been printed in italics and enclosed in square brackets, and all new matter inserted has been underlined.

1. The Bill was published in English in the *Calcutta Gazette* on the 11th December, 1930.

2. The Committee met for the first time on the 18th February, 1931, and finished detailed consideration of the Bill at meetings held on the 23rd and 24th February, 1931.

3. We do not consider that the Bill has been so altered as to require republication.

4. We recommend that the Bill as amended be passed by the Council.

5. The following are the principal changes made in the Bill:—

Clause 7.

Section 78A.—We have omitted the proviso to sub-section (*2*) of new section 78A because it appears unnecessary specially to mention one incident affecting the value of the land when all such incidents are normally taken into consideration.

Section 78B (*2*).—We have made the period within which acceptance or dissent is to be declared date from the receipt of a written notice of the assessment of the betterment fee.

Section 78C.—We have recast sub-section (*5*) and have made it more explicit; we have also introduced here and in sub-section (*6*) small amendments consequent on the introduction of sub-sections (*5a*) and (*6a*). Two new sub-sections have been introduced to make provision for contingencies which we think should be guarded against.

Section 78E.—We have amended the wording so as to exclude the operation of the Indian Arbitration Act, 1899, as well as the Code of Civil Procedure, 1908, from arbitration proceedings. We have chosen to add the proviso in order to ensure to parties the right therein given rather than to leave this to be provided in rules made under section 137 of the Calcutta Improvement Act.

Section 78G.—The addition here made is aimed at emphasising and making more clear the fact that the charges referred to shall be preferred to existing mortgages. We also intend that retrospective effect shall be given to this provision.

Clause 8A.

This new clause has been added to clarify the words used in the last three lines of the revised section 78 contained in clause 8 of the Bill. It is conceivable that some doubt might arise regarding the authorities who were to issue the warrants for the recovery of moneys payable under the Act owing to the compressed and referential nature of the wording employed in section 78.

(Clause 7.)

7. After section 78 of the said Act, the following sub-heading and sections shall be inserted, namely :—

"*Betterment fee.*

Payment of betterment fee.

78A. (*1*) When by the making of any improvement scheme, any land in the area comprised in the scheme which is not required for the execution thereof will, in the opinion of the Board, be increased in value, the Board, in framing the scheme, may, in lieu of providing for the acquisition of such land, declare that a betterment fee shall be payable by the owner of the land or any person having an interest therein in respect of the increase in value of the land resulting from the execution of the scheme. [*Cf.* 15 Geo. V, c. 16, s. 10 (*3*).]

(*2*) Such betterment fee shall be an amount equal to one-half of the increase in value of the land resulting from the execution of scheme, and shall be calculated upon the amount by which the value of the land on the completion of the execution of the scheme estimated as if the land were clear of buildings exceeds the value of the land prior to the execution of the scheme estimated in like manner :

[*Provided that, when the Board, in framing the scheme, have declared that a strip of land in the area comprised in a scheme which lies between any building and a street for the laying out or alteration of which the scheme provides, will be permanently retained as an open space, this fact shall be taken into account in determining the value of the land on the completion of the execution of the scheme.*]

Assessment of betterment fee by Board.

78B. (*1*) When it appears to the Board that an improvement scheme is sufficiently advanced to enable the amount of the betterment fee to be determined, the Board shall by a resolution passed in this behalf declare that for the purpose of determining such fee the execution of the scheme shall be deemed to have been completed and shall thereupon give notice in writing to every person on whom a notice in respect of the land to be assessed has been served under clause (*i*) of sub-section (*1*) of section 45 that the Board propose to assess the amount of the betterment fee payable in respect of such land under section 78A.

(*2*) The Board shall then assess the amount of betterment fee payable by each person concerned who shall within three months from the date of receipt of notice in writing of such assessment from the Board, inform the Board by a declaration in writing whether he accepts or dissents from the assessment.

(*3*) When the assessment proposed by the Board is accepted by the person concerned within the period specified in sub-section (*2*), such assessment shall be final.

(*4*) If the person concerned dissents from the assessment made by the Board or fails to give the Board the information required by sub-section (*2*) within the period specified therein, the matter shall be determined by arbitrators in the manner provided by section 78C. [*Cf.* 15 Geo. V, c. 16, s. 10 (*4*).]

The Calcutta Improvement (Amendment) Bill, 1931.

(Clause 7.)

Settlement of betterment fee by arbitrators.

78C. (*1*) For the determination of the matter referred to in sub-section (*4*) of section 78B, the Local Government shall constitute a panel of arbitrators consisting of two parts, the first part of which shall be composed of persons having special knowledge of the valuation of land and the second part of other suitable persons.

(*2*) When the Board have, in accordance with the provisions of section 78B, assessed the amount of betterment fee payable by all persons in respect of land in the area comprised in the scheme, the Board shall serve a notice on all those persons who have dissented from the assessment made by the Board, requiring them to meet at such time and place as may be fixed by the Chairman for the purpose of electing an arbitrator.

(*3*) For each scheme there shall be a body of two arbitrators, one of whom shall be elected by vote by [*all*] the persons present at the meeting referred to in sub-section (*2*) from one part of the panel, and the other shall be appointed by the Local Government from the other part of the panel :

Provided that for the purposes of a particular scheme the Local Government may, prior to the election referred to in this sub-section, if it thinks fit, modify either part of the panel.

(*4*) In the event of a difference of opinion on any matter between the two arbitrators, a third arbitrator shall be selected by lot from the first part of the panel, and the matter shall be decided by the votes of the majority of the three arbitrators.

(*5*) If an arbitrator dies, resigns, becomes disqualified, is removed under sub-section (*5a*), or refuses to perform or in the opinion of the Local Government [*resigns, refuses or*] neglects to perform or becomes incapable of performing his functions, [*or becomes disqualified or dies,*] the authority who elected or appointed him shall forthwith elect or appoint a fit person to take the place of such arbitrator. [*Cf.* Bom. Act I of 1915, s. 33 (*7*).]

(*5a*) If the Local Government is satisfied after such inquiry as it thinks fit that the arbitrator has misconducted himself, it may remove him. [*Cf.* Act IX of 1899, s. 16.]

(*6*) When the arbitrators have made their award under section 78C, they shall sign it and forward it to the Board, and such award shall subject to the provisions of sub-section (*6a*) be final and conclusive and binding on all persons. [*Cf.* Bom. Act I of 1915, s. 37 (*2*).]

(*6a*) If the Local Government is satisfied after such inquiry as it thinks fit that an award has been improperly procured, or that an arbitrator has misconducted himself in connection with an award, the Local Government may set aside the award. [*Cf.* Act IX of 1899, s. 14.]

Fees for arbitrators.

78D. The Board shall pay to each arbitrator a fee to be determined by the Local Government in respect of the whole of the scheme for which his services are utilized. [*Cf.* Bom. Act I of 1915, s. 39 (*1*).]

The Calcutta Improvement (Amendment) Bill, 1931.

(Clause 8.)

Proceedings of arbitrators.

78E. Notwithstanding anything contained in any other enactment [*the Code of Civil Procedure, 1908, the provisions of the said Code shall not apply to*] the proceedings of arbitrators under section 78C [, *but such proceedings*] shall be governed by rules to be made in this behalf under section 137 : Act V of 1908.

Provided that every party to such proceedings shall be entitled to appear before the arbitrators either in person or by his authorized agent.

Board to give notice to persons liable to payment of betterment fee.

78F. When the amount of all betterment fees payable in respect of land in the area comprised in the scheme has been determined under section 78B or section 78C, as the case may be, the Board shall, by a notice in writing to be served on all persons liable to such payment, fix a date by which such payment shall be made, and interest at the rate of six per cent. per annum upon any amount outstanding shall be payable from that date.

Agreement to make payment of betterment fee a charge on land.

78G. (*1*) Any person liable to the payment of a betterment fee may, at his option, instead of making a payment thereof to the Board, execute an agreement with the Board to leave the said payment outstanding as a charge on his interest in the land, subject to the payment in perpetuity of interest at the rate of six per cent. per annum, the first annual payment of such interest to be made one year from the date referred to in section 78F. [*Cf.* Ben. Act V of 1911, s. 78 (*4*).]

(*2*) Every payment due from any person in respect of a betterment fee and every charge referred to in sub-section (*1*) shall, notwithstanding anything contained in any other enactment and notwithstanding the existence of any mortgage or other charge whether legal or equitable created either before or after the commencement of the Calcutta Improvement (Amendment) Act, 1931, be the first charge upon the interest of such person in such land. [*Cf.* Ben. Act V of 1911, s. 78 (*6*).]

(*3*) The provisions of sub-sections (*7*), (*8*) and (*9*) of section 78 relating, in the case of the payments mentioned in that section, to the non-payment of instalments of interest, the paying off of the charge with interest, and the restrictions in respect of suits against the Board shall apply, *mutatis mutandis*, to the payment of the money payable under an agreement made in pursuance of sub-section (*1*) and of the interest payable in respect thereof." NOTIFICATION.

No. 11T.L.—24th April 1931.—The following Report of the Select Committee on the Bengal Mining Settlements (Amendment) Bill, 1931, with the Bill as amended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Mining Settlements (Amendment) Bill, 1931.

We, the members of the Select Committee of the Bengal Legislative Council, to which the Bengal Mining Settlements (Amendment) Bill, 1931, was referred by a motion carried in the Bengal Legislative Council on the 11th February, 1931, have the honour to submit this, our report, with a copy of the Bill, as amended by us, annexed. The portion of clause 6 of the Bill for which new matter has been substituted by the Select Committee has been printed in italics and enclosed in square brackets, and the new matter has been underlined.

1. The Bill was published in English in the *Calcutta Gazette* on the 11th December, 1930.

2. The Committee met on the 26th February, 1931, and finished detailed consideration of the Bill on that day.

3. We do not consider that the Bill has been so altered as to require republication.

4. We recommend that the Bill as amended be passed by the Council.

5. The only changes made in the Bill are as follows:—

Clause 6.—In clause (*vii*), in the proposed section 11A, it has been made clear that the clause is intended to apply to residential buildings only.

A new clause has been substituted for clause (*viii*), in the proposed section 11A, the purpose of the new clause being to restrict the operation of the clause to cases where it is necessary to provide accommodation, since mine-owners are not bound to give house accommodation for all persons employed in mines. The reference to "decent" lodging has been omitted in order to avoid difficulties that might arise if this expression were retained.

Note of Dissent by Maharaja Sris Chandra Nandy, of Kasimbazar.

I am of opinion that the insertion of the word "residential" in clause (*vii*) of the proposed section 11A is open to serious objection. The Health Board is concerned with the housing standard of the locality only in so far as it relates to labour welfare. This being definitely provided for in re-drafted clause (*viii*), it is not clear why the Board should have any power to interfere with the construction of residential buildings. It is true the addition of the word has served to limit the application of the clause; but it has served equally to emphasise the drastic nature of the powers taken. The best course would be to delete the words "the construction and" in the clause leaving the word "residential" intact.

Subject to this note I sign the report.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 2nd May 1931.

Summary.—Excepting for light and scattered showers in parts of some North and East Bengal districts, there was no rainfall in the rest of the Presidency. Rain is badly needed for the sowings of jute and paddy. The standing crops are suffering for want of rain. Distress continues to prevail in parts of Bogra where the average number of persons attending test relief works amounts to 265 daily. Arrangements for the distribution of agricultural loans also continue. The average price of common rice for the Province has slightly fallen as compared with that of the previous week.

RESOLUTION ON THE WORKING OF UNION BOARDS FOR THE YEAR 1929-30.

GOVERNMENT OF BENGAL.

Local Self-Government Department.

Local Self-Government.

RESOLUTION—No. 1764 L.S.-G.

CALCUTTA, THE 2ND MAY 1931.

Minister-in-charge: The Hon'ble Mr. Bejoy Prasad Singh Roy.

Resolution on the working of Union Boards for the year 1929-30.

As was anticipated in the last resolution on union boards, there has been a slowing down in the process of forming new union boards, as only the more backward and less promising areas of the province remain to be included in this organisation. Only 219 union boards were added to in 1929-30, of which 111 were formed in Noakhali and the rest in Bakarganj, Khulna, Dacca, Mymensingh and the 24-Parganas.

Union Board Franchise and Electorate.

There has been an unexpected decrease in the total number of voters on the electoral rolls of union boards from 2,293,262 to 2,191,699 due entirely to abnormal features in the statistics for Rangpur and Dinajpur districts the result of an error in last year's figures. The total number of members of these village authorities increased, however, from 36,363 to 38,457. Elections on the whole proceeded smoothly and satisfactorily, and it may fairly be said that party faction does less harm to the spirit of representation by election in the contests for these small units than in municipal elections. Signs are not wanting, however, of an unwelcome tendency to take election disputes to the civil courts instead of resting content with the jurisdiction of the District Magistrate in the matter, and this will be a serious impediment if the tendency spreads far in elections averaging well over a thousand a year.

Up to the end of the year 1929-30 there had, except in one or two localised areas, been little setback to the growing popularity of union boards in districts to which the movement extended. It would distort the perspective to touch here on the new phase which supervened with the Civil Disobedience movement during the year 1930, and on the successful struggles of union boards to maintain a footing in spite of the most vigorous opposition. At the end of the year 1929-30 the picture is one of general contentment with the progress of union boards throughout the districts in which they were firmly established and of growing support in certain areas where they had first been viewed with suspicion as in Noakhali district. In Bankura district alone there existed general and organised opposition to union boards, with which local officers were successfully coping, and a localised attack on certain union boards in Jessore district had already proved a failure by the end of March 1930. Progress with certain union boards in the 24-Parganas had been suspended in the unfavourable atmosphere arising from the attack in Jessore.

Financial Statistics.

The total receipts of union boards excluding opening balance rose from Rs. 71,42,000 to Rs. 85,23,000, of which Rs. 62,01,000 was realized on account of union rate, Rs. 2,41,000 as rents of chaukidari chakran lands, Rs. 2,30,000 from pounds and ferries, and Rs. 1,50,000 and Rs. 3,88,000, respectively, as grants from district boards under sections 33 and 45 of the Village Self-Government Act. The total income derived from union rate levied under section 37 (*b*) of the Act increased from Rs. 9 lakhs to Rs. 12 lakhs.

The total expenditure rose from Rs. 69,22,000 to Rs. 83,63,000, of which Rs. 24,69,000 was spent for miscellaneous purposes of the Act, such as communications, public health, medical relief, water-supply and education against Rs. 23 lakhs in the preceding year, leaving a closing balance of Rs. 15,03,000.

Viewed on the broad scale approximately seven lakhs of the expenditure on other objects than the chaukidari was devoted to roads, seven lakhs to water-supply, one and-a-half lakhs to drainage and conservancy, one lakh each to public health and dispensary works, and three and a quarter lakhs to schools. It would be interesting to analyse the relation of these figures to the percentage of expenditure by district boards on similar objects, but for present purposes it is sufficient to single out the striking fact that the expenditure of union boards on water-supply in 1929-30 was only half a lakh less than

the total expenditure of district boards on this object during the same year. It must be remembered, however, that quite possibly the union board accounts of expenditure on water-supply duplicate certain items classified under this head by district boards, but spent through the agency of union boards.

Individual activities of Union Boards.

Small as they may be in scale compared with local authorities under the Municipal and with Local Self-Government Acts, the Minister always takes a pleasure in noticing the individual achievements of particular union boards with their touches of local enterprise and specialised interests. The names of many union boards in the Burdwan Division stand out for good work. Specific mention has been made of Thalia and Lillooah union boards in the Howrah district. The former constructed a sluice-culvert for improvement of drainage at a cost of Rs. 1,070 and the latter acquired a plot of land as its trenching ground. The Basudebpur Union Board also incurred some expenditure for the silt-clearance of agricultural khals, and the Bagnan Union Board maintained five "Biss-type" schools with help from Government and district board. The Panchra Union Board in the Burdwan district has completed 15 tube-wells up to date, besides maintaining the irrigation channel, which continues to supplement the supply of drinking water in the village. Srikhanda and Patuli have made commendable progress in the construction of their dispensary buildings. In this district, distinct progress was made in all branches of village improvement, the expenditure on water-supply increasing by 64 per cent. on roads by 44 per cent. and on dispensaries by 34 per cent. In Birbhum, the union boards of Bolpur, Rampurhat, Dubrajpur and Sainthia appear to be the most advanced and have introduced a regular conservancy system within their area. The last-named also maintains a good primary school for girls. In Bogra, the union boards of Hili, Jaipurhat, Santahar and Sonatala continued to do excellent work. The Taltore and Brahmarkole union boards in the Birbhum district realised their full assessment. In Howrah district, on the contrary, collections in most of the unions of Uluberia and Amta Circles were unsatisfactory, which resulted in the chaukidars remaining unpaid.

Working of Union Benches and Courts.

Union Benches.—Union benches have been established under the Bengal Village Self-Government Act of 1919 in the districts of Bakarganj, Bankura, Birbhum, Bogra, Burdwan, Chittagong, Dacca, Faridpur, Hooghly, Howrah, Jessore, Khulna, Malda, Mymensingh, Nadia, Noakhali, Rajshahi, Rangpur, Tippera and the 24-Parganas. The reports of the districts in which the union benches are established show that the benches are growing in popularity and affording some relief to the Magistrates. The total number of benches established was 745 against 557 in the previous year. The number of offences reported to these benches was 54,841 showing an increase of 16,494 on that of 1928.

Union Courts.—Union courts have been established under the Bengal Village Self-Government Act, 1919, in the districts of Bakarganj, Bankura, Birbhum, Bogra, Burdwan, Dacca, Faridpur, Hooghly, Howrah, Jessore, Khulna, Malda, Mymensingh, Nadia, Rajshahi, Tippera and the 24-Parganas. The union courts are generally reported to be viewed with appreciation by the public and affording some relief to the Munsifs. The total number of courts established was 644 against 480 in the previous year. The number of suits instituted in these courts was 65,902 showing an increase of 17,342 over that of 1928.

Attitude of District Boards.

The relations between the district boards and the union boards were on the whole cordial, although the financial assistance rendered by the former was still meagre in certain districts (*e.g.*, Bankura, Hooghly, Pabna, Rajshahi). In Bankura, the district board did their best to strangle the union board movement by curtailing grants, but Government came to the rescue with a direct allotment from the augmentation grant. Apart from this abnormal case however the variation in the proportion of grants to rates under section 37 (*b*) continues to be remarkable. At ohe extreme the Howrah District Board made a grant under section 45 of the Village Self-Government Act of Rs. 31,290 against union rates under section 37 (*b*) of only Rs. 19,178, while at the other the Pabna District Board

granted the sum of Rs. 1,754 as against union rates of Rs. 50,314. The Dinajpur District Board made a grant of Rs. 15,074, under section 45, to recently formed union boards which raised no rate under section 37 (*b*). The Jessore District Board threw in its influence heartily in favour of the Bandabilla Union Board when a deliberate attempt to destroy this board was made in the latter part of the year under review. The district board of the 24-Parganas withheld the uniform grant of Rs. 200 from the Mahisbatan Union Board, on account of non-co-operation and from the Krishnagar Union Board in the sadar subdivision on account of gross mismanagement. The total amount paid by district boards to the union boards rose from Rs. 4,50,454 to Rs. 5,38,624, including Rs. 1,50,305 paid to union boards under section 35 of Village Self-Government Act for management of institutions and works transferred to them by district boards. The total income derived by union boards from pounds was Rs. 2,28,666 against Rs. 1,70,035 in the preceding year, and the district boards have by now almost without exception cheerfully accepted surrender of this source of revenue to union boards.

By order of the Government of Bengal (Ministry of Local Self-Government),

C. W. GURNER,

DARJEELING, THE 28TH APRIL 1931.

RESOLUTION—No. 119 T. R.

Read—

The Survey and Settlement Reports for the year ending 30th September 1930.

At the instance of the Surveyor-General of India, the duty of giving technical advice and of supervision with regard to the air surveys was transferred from the Director, Eastern Circle, to the Director, Map Publication, who is permanently attached to the Calcutta offices of the Survey of India and is in a better position to offer advice when needed. His Excellency the Governor has noticed with pleasure that Colonel Campbell and Colonel Phillimore, R.E., Directors, Map Publication, gave valueable help and advice to the Bengal Survey Department in dealing with the various problems connected with air survey.

2. Traverse survey was done over an area of 591 square miles in Hooghly and 777 square miles in Malda. The area traversed in the Hooghly district was very unhealthy at the beginning and many of the staff fell ill with malaria. Traverse survey was also done over a scattered area of 123·4 square miles in the Bakarganj district in connection with the revisional survey and settlement operations.

3. The bujharat programme in Malda included 105 square miles done by air survey and khanapuried in the previous season. During bujharat the accuracy of the maps was tested and found to be quite satisfactory. By the end of September 1930 the Air Survey Company supplied rectified photographs of an area of 777 square miles of B Block based on post pointing traverse done by the Bengal Survey staff in the period January-June. Subsequent tests of these maps on the ground at khanapuri have shown them to be quite accurate. This is creditable to the Bengal Survey staff and to the air survey staff. The results are thus encouraging and there is every prospect that as methods are improved and experience gained, the saving in cost of survey will be more than was anticipated; apart from this, however, several other advantages follow from adoption of the air survey system.

4. Major settlement operations were in their closing stages in the districts of Pabna-Bogra and Murshidabad-Birbhum, but were in full swing in 24-Parganas, Burdwan, Malda and Chittagong, with different stages of work in progress.

5. The total area for which a record-of-rights has been completed is 52,629 square miles out of 65,304 in the province to which the Bengal Tenancy Act applies. The popularity of the record-of-rights is fast increasing and there is a growing demand for copies of khatians and maps. District officers are unanimous as to the value of the settlement records and maps in the administration of the districts. The presumption of correctness of the finally published record-of-rights appears to be well understood by the Civil and Criminal Courts alike and the records are referred to more freely than in the past.

6. It is satisfactory to note that out of the total recovery of Rs. 13,81,826 only Rs. 2,60,396 was realised by coercive measures and the balance represents voluntary payments.

7. Mr. L. R. Fawcus, I.C.S., was in charge of the departments throughout the year. The Governor in Council has much pleasure in acknowledging the efficiency and care with which the Departments of Survey and Settlement

have been managed in the year under review. His Excellency in Council is also pleased to direct that the good work done by the survey officers, Mr. I. Newton and Major C. B. Sexton and settlement officers, Messrs. J. B. Kindersley, B. E. J. Burge, K. A. L. Hill, M. O. Carter, S. N. Roy (II), Rai Bijay Bihary Mukherji Bahadur and Rai Sahib Romesh Chandra Sen, as also by the other officers mentioned in the concluding paragraphs of the Survey and Settlement Reports, be recorded.

ORDER.—Ordered that this Resolution be published in the gazette.

NOTIFICATION.

No. 282T.Edn.—7th May 1931.—The report on the Bruce Institution for the year 1930 is published for general information.

A. J. DASH,
Secy. to the Govt. of Bengal.

Report on the Bruce Institution for the year 1930.

Calcutta, the 10th March 1931.

1. **Control.**—(1) During the year under review the following were appointed to be Governors:—

(*a*) Mrs. E. A. Hartley, *vice* Mrs. Barton, who went on leave for six months and resigned. The appointment was a temporary one and, on Mrs. Barton's return from leave, she was re-appointed Governor after the close of the year.

(*b*) The Revd. D. H. Manley, *vice* the Revd. E. S. Johnson, who resigned on proceeding on leave to America.

(*c*) Mr. Maurice Remfry, who went on leave for six months, was reappointed Governor on his return.

Mr. H. E. Stapleton, Director of Public Instruction, Bengal, acted as Honorary Secretary of the Bruce Institution throughout the year.

(2) The following were the Governors at the end of the year:—

The Hon'ble the Chief Justice of Bengal (*ex-officio*).
The Most Revd. the Lord Bishop of Calcutta (*ex-officio*).
The Surgeon-General with the Government of Bengal (*ex-officio*).
The Mayor of Calcutta (*ex-officio*).
The Director of Public Instruction, Bengal (Honorary Secretary) (*ex-officio*).
The Hon'ble Mr. Justice R. E. Jack, I.C.S.
The Ven'ble John Grimes (Archdeacon of Calcutta).
The Revd. Father F. Keyeux, S. J.
The Revd. D. H. Manley.
Mrs. E. A. Hartley.
Maurice Remfry, Esq.
W. F. Papworth, Esq. (Inspector of European Schools, Bengal).

II. **Capital and Income.**—The capital of the institution is Rs. 10,46,200 in 3½ per cent. Stock Certificates of the year 1865, which are held by the Deputy Controller of Currency, while, in addition, there are temporary investments from savings which stood at the end of the year at Rs. 42,100 (as compared with Rs. 39,600 at the end of 1929). The difference is due to Rs. 12,000 being placed on fixed deposit in November 1930—Rs. 3,000 in the Imperial Bank of India for six months, and Rs. 9,000 in the Mercantile Bank of India, Ltd., for three months—as compared with a deposit of only Rs. 9,500 in the previous year. The total interest obtained in 1930 was Rs. 38,014-3-0 (against Rs. 37,930-2-2 in 1929). In addition, there was Rs. 14-10-0 from refund of income tax, making the income in 1930 Rs. 38,028-13-0, as compared with Rs. 38,186-4-8 in 1929, when the total was abnormally increased by various items detailed on page 2 of that year's report.

The amounts received as interest, etc., were kept with the Imperial Bank of India. During the year, the following amounts were transferred to fixed deposit for short periods in order to earn some extra interest:—Rs. 7,000 for three months in May 1930 at 4½ per cent. per annum in the Mercantile Bank of India, Rs. 3,000 for six months in November 1930 at 3½ per cent. per annum in the Imperial Bank of India, and Rs. 9,000 for three months at 3½ per cent. per annum in the Mercantile Bank of India. The year opened with a balance of Rs. 3,828-4-4 *plus* Rs. 9,500 in fixed deposit, and closed with a gross balance of Rs. 15,063-12-8, of which Rs. 12,000 was in fixed deposit, as already stated. There was thus a net increase during the year in the working funds of the Trust of Rs. 1,735-8-4.

The number of Wards on the 31st December for each of the last five years will be seen from the table given below:

1926	1927	1928	1929	1930
104	107	109	105	101

The following table shows the progress of expenditure during the last five years as compared with the income:—

	1926	1927	1928	1929	1930
	Rs. A. P.	Rs. A. P.	Rs. A. P.	Rs. A. P.	Rs. A. P.
Opening balance ..	14,643 15 3	14,640 15 10	14,472 6 2	13,583 3 10	13,328 4 4
Income ..	37,929 0 0	37,931 5 0	37,957 13 10	38,186 4 8	38,028 13 0
Total ..	52,572 15 3	52,572 4 10	52,430 4 0	51,769 8 6	51,357 1 4
Expenditure ..	37,931 15 5	38,099 14 8	38,847 0 2	38,141 4 2	36,293 4 8
Closing Balance ..	14,640 15 10	14,472 6 2	13,583 3 10	13,328 4 4 (+300 0 0 Purchase of 5 per cent. Loan.)	15,063 12 8
Total ..	52,572 15 3	52,572 4 10	52,430 4 0	51,769 8 6	51,357 1 4

It will be seen from this summary that, in consequence of various measures taken by the Governors during the last three years, the expenditure is now again well within the income of the Trust. The financial condition of the institution has considerably improved, and it should be possible during the ensuing year to invest Rs. 1,500 or Rs. 2,000 of the working balance.

Ten of the above-mentioned total of 101 wards left at the end of the year (31st December 1930) so that at the time of writing (10th March 1931) there were actually 91 + 11 new wards, *i.e.*, 102 wards, on the rolls, as compared with 111 on the 4th March 1930. This was due to (*a*) continuing the policy of not appointing more than 10 or 11 new wards in any one year; and (*b*) striking off 8 wards for unsatisfactory work (against 6 in the previous year).

III. **Election to Vacancies, etc.**—The annual election of wards was held on Monday, the 1st December 1930. There were actually 20 vacancies, but it was decided to advertise 10 vacancies only, and 67 applications were received. These were considered by a sub-committee consisting of (1) the Ven'ble Archdeacon John Grimes, (2) the Revd. Father Keyeux, S. J., (3) the Revd. D. H. Manley, (4) Mrs. E. A. Hartley, and (5) Mr. W. F. Papworth (convenor), and, on their recommendation, 11 girls were elected. Of the 11 girls elected (against 10 in the previous year) 3 were placed in the Loreto Convent, Entally, 2 in the Calcutta Girls' School, 2 in the Loreto Convent, Asansol, 3 in the Pratt Memorial School and 1 in the St. Paul's Mission School.

2. As favourable medical and school reports were received regarding the 10 girls elected for the year 1930, their admission as wards was confirmed by the Governors.

3. Of the 20 wards withdrawn during the year under report—

Two left at the age of 17.

Five on the expiry of the extensions granted them.

Eight owing to unsatisfactory progress.

Three were withdrawn by their mothers before the age of 17.

One was withdrawn by her father before 17.

One was withdrawn by her mother on account of illness.

4. Of the 18 wards who had been withdrawn during the year 1929, 6 were removed on account of unsatisfactory progress. Of the remaining twelve, one obtained a post as a shorthand typist and one joined the Calcutta Girls' School as a pupil teacher. The Principal reports that the last named girl is giving good service and they are pleased with her. One girl after passing the I. A. Examination in the 1st Division made a good marriage. Another girl is training as an under-matron, and is giving satisfaction. The fifth of our old wards is learning shorthand and typewriting. The sixth has joined the Medical College Hospital to train as a nurse, and the Lady Superintendent reports that she is progressing satisfactorily. Another girl, who was withdrawn from the Trust at the age of 17, has been kept in school by her father who is allowing her to continue her studies in the commercial class at his own expense. Another girl who was withdrawn on account of ill health is now being taught typing; while still another—though she has not yet apparently obtained work—has had her name registered for an appointment in the telegraph department. It is believed that the tenth girl got married after leaving school. The present whereabouts of the remaining two cannot be traced.

5. At the close of the year, the 101 wards on the rolls were distributed as follows:—

Loreto Convent, Entally—	
1st boarding	32
2nd boarding	8
Calcutta Girls School	18
Pratt Memorial School	3
St. Thomas' School, Kidderpore	10
St. Paul's Mission School	6
Old Church Parochial Home	4
Loreto Convent, Asansol	15
St. Mary's Convent, Nani Tal	1
Dow Hill Girls' School	1
Queen's Hill School, Darjeeling	1
Bishop Westcott Girls' School, Ranchi ..	1
Wynberg School, Mussoorie	1
Total ..	101

6. The following table gives particulars as to the class and religion of the wards at the close of the year:—

Class.	Roman Catholic.	Church of England.	Non-conformist.	Total.
1. Orphans, or deserted by their parents ..	19	6	1	26
2. Fatherless or motherless or deserted by their father or mother	29	19	9	57
3. Those who have both parents alive ..	8	8	2	18
Total ..	56	33	12	101

IV. **Education and Maintenance.**—The nature of the education generally imparted to the wards continued to be that prescribed for a higher grade school under the Code of Regulations for European Schools in Bengal, but in a few cases the girls read in secondary and primary schools.

2. The Governors are anxious that their wards should become useful citizens when they leave school and have accordingly asked the Visiting Governors to make, in consultation with the school authorities, definite proposals—where this seems desirable—for training wards who have attained, or are about to attain, the age of 14, so that the last three years of their school life may be spent to the best advantage and be a preparation for earning a living.

3. During the year under review one Bruce ward was presented for the Higher Grade Final Examination but failed, while another girl passed the Higher Grade Commercial Course Examination. Better results are to be desired. Two girls secured senior

certificates of first aid to the injured, and two girls received ordinary first aid certificates. One girl also passed the Royal Drawing Society's Examination in division IV.

4. Under the rules a ward is not ordinarily allowed to remain on the Foundation after the age of 17, when an outfit grant of Rs. 100 is generally given to enable her to make a start in life. In cases where wards wish to be trained as teachers and have the support of the school authorities, or when some special training is recommended, or when a ward is preparing for a higher examination such as the Intermediate Arts or Commercial Course Examination, and in the event of the ward being reported on well, some extension of the period of benefit is generally allowed. Four wards were granted extensions during the year under report in order to finish their commercial courses.

5. The average monthly cost for the actual education and maintenance of each ward amounted to Rs. 27-10-0 against Rs. 27-8-3 in the preceding year. If all expenditure in connection with the Trust be included, the figures are Rs. 29-15-1 and Rs. 30-4-4, respectively.

6. The amounts paid under the different heads of expenditure were as noted below:—

1929.

V. **Inspection.**—Mr. W. F. Papworth was appointed Visiting Governor for the first half and Mrs. E. A. Hartley for the second half of the year 1930, to visit the schools in Calcutta having Bruce Wards. Mr. Papworth remarked—"I have found generally that the wards of the Bruce Institution are keeping good health. The children appear to be well-nourished and happy in the different schools. Dealing with poorer children who are taken on this fund at an early age it is quite natural that we should sometimes find ourselves maintaining girls of inferior mental ability. It is some satisfaction however to realise how small the number of such children happens to be."

VI. **Meetings.**—Four meetings were held during the year, and among the Resolutions passed the following may be noted:—

(*a*) To issue a new edition of the Bruce pamphlet (last issued in 1920).

(*b*) That a small Committee consisting of—

(*i*) The Ven'ble Archdeacon Grimes,
(*ii*) The Revd. Father F. Keyeux, S.J.,
(*iii*) Mr. W. F. Papworth,

be appointed to consider:

(1) the possible increase in the monthly fees for the education and maintenance of Bruce wards; and (2) the desirability of raising the withdrawal age of Bruce wards from 17 to 18. Further, that Mrs. Hartley, the Visiting Governor, be asked to make enquiries regarding the desirability of the above two proposals when visiting the different schools and thereafter to report to the Committee.

(*c*) That a Welfare Committee be appointed to look after those Bruce wards who have no parents or guardians and have completed their period under the Trust. (The suggested duties of the Welfare Committee were also approved by the Governors).

(*d*) That a new edition of the Governors' Rules, embodying certain alterations proposed by the Honorary Secretary, be approved and printed for circulation. (This was issued shortly after the close of the year.)

Hony. Secy. to the
Governors of the Bruce Institution.

The Report of the Board of Revenue on the administration of the Wards', Attached and Trust Estates in the Presidency of Bengal for the year 1336 B.S. (1929-30).

1. At the beginning of the year the number of estates under the management of the Court of Wards was 88. During the year five new estates including the Burdwan Raj Estate, the biggest zamindari in Bengal, were brought under the charge of the Court, two estates were amalgamated into one and two estates were released, thus bringing total number to 90 at the close of the year.

2. The total current demand due to the estates on account of rent and cesses was Rs. 1,02·86 lakhs and the arrear demand Rs. 1,31·05 lakhs. The total sum collected was Rs. 96·64 lakhs or 41·3 per cent. of the total demand or 88·2 per cent. of the current demand against 41·2 per cent .or 98·0 per cent. respectively in the preceding year. The heavy outstanding balances were mostly due to the bad economic condition of the year.

3. The total amount of debt outstanding at the close of the year was Rs. 2,07·84 lakhs. The principal and interest paid or otherwise reduced amounted to Rs. 12·37 lakhs and Rs. 13·63 lakhs respectively. The debts of estates in respect of which schemes of repayment has been prepared were reduced to Rs. 29·43 lakhs instead of Rs. 27·21 lakhs according to the schemes.

4. The percentage of cost of management on current rent and cess demand showed a reduction, being 11·9 against 12·4 in the previous year. But law expenses rose from Rs. 4·57 lakhs in 1928-29 to Rs. 6·65 lakhs during the year under review.

5. As in the previous years, over Rs. 3 lakhs or a little over 3 per cent. of the current demand, was spent on education, dispensaries and works of improvement.

6. The thanks of the Governor in Council are due to the Board of Revenue for the administration of the estates under the management of the Court of Wards. He also notices with pleasure the good work done by the Managers mentioned in the report.

3. **The Damodar Canal Project.**—The work in connection with the project which was commenced in 1926-27 and designed to irrigate about 200,000 acres of land mostly paddy in the Burdwan and Hooghly districts, was in progress during the year. The total capital expenditure (direct and indirect) to the end of the year 1929-30 amounted to Rs. 41,38,371 against the estimated cost of Rs. 78,14,981. The capital expenditure of Rs. 19,08,193 during the year was mostly incurred on the construction of weirs, regulators and bridges, and for excavation of the main canal and on the purchase of special tools and plant. It is expected that the canal will be partially opened in 1932.

4. **The Bakreswar Irrigation Scheme (Birbhum).**—The construction of the Bakreswar Canal which was commenced in 1927 was continued. During the year under review the head works were nearly completed and good progress was made with the Sanuch Kandar conduit, cross-drainage works, bridges and regulators of the canal. The excavation of the main canal was delayed owing to scarcity of labour. The capital expenditure during the year was Rs. 1,59,343 and the total expenditure to the end of the year was Rs. 3,48,900 against the estimated cost of Rs. 4,90,596. The scheme when completed will irrigate 10,000 acres of paddy in a tract subject to frequent scarcity, and it is expected that the canal will partially be opened in 1931.

5. **The Midnapore Canal.**—The canal consists of two weirs at Midnapore and Panskura, 69·75 miles of main and branch canals used both for irrigation and navigation purposes and 284·97 miles of distributaries. No capital expenditure was incurred on the canal during the year. The area irrigated was 59,605 acres as against 64,842 acres in the previous year. The receipts and working expenses were Rs. 2,30,927 and Rs. 2,35,740, respectively, the result being a deficit of Rs. 4,813 against the net revenue of Rs. 53,405 in the preceding year. The demand decreased because some of the leases lapsed and were not renewed during the year owing to copious rainfall. Increase in working expenses was due to the fixing of a Stoney's shutter in the under-sluices of the Midnapore weir.

6. **The Grand Trunk Canal Project.**—The construction of the Grand Trunk Canal which was started in 1920-21 has been held in abeyance.

7. **The Hijili Tidal Canal.**—This canal with the Terapakia Pass Khal, Palaboni Khal and the khal leading to the Gewankhali lock entrance constitutes a navigation canal, 49¾ miles in length. No capital expenditure was incurred on the canal during the year. The receipts and working expenses amounted to Rs. 67,668 and Rs. 1,04,286, respectively, the result being a deficit of Rs. 36,618, due to portions of the canal being closed for part of the year for silt clearance, against the net revenue of Rs. 19,962 in the previous year.

8. **The Calcutta and Eastern Canals** form a series of natural and artificial navigation channels, about 834 miles long, for the purpose of maintaining water communication between Calcutta and Eastern Bengal. No capital expenditure was incurred on this system of canals during the year. The receipts and working expenses amounted to Rs. 4,47,400 and Rs. 6,31,408, respectively, the result being a deficit of Rs. 1,84,008 as against -- Rs. 1, 72,117 in the previous year. The fall of revenue was due to the decline of boat traffic in the canal and the increase in expenditure on account of the reconstruction of certain bridges over it.

9. **Sunderbans Steamer Route,** which is about 350 miles long, is being treated as a separate project from the Calcutta and Eastern Canals from the year 1924-25. Receipts on capital account amounted to Rs. 45,468. The revenue receipts and working expenses amounted to Rs. 64,750 and Rs. 1,01,868, the result being a deficit of Rs. 37,118 as against - Rs. 1,74,895 in the preceding year.

10. **The Madaripur Bil Route,** 38 miles in length, connects the Madhumati and Kumar rivers in the Faridpur district. A capital expenditure of Rs. 2,89,048 was incurred during the year on the construction of locks and sluices on this route and the Lower Kumar river. The works are in progress.

The receipts and working expenses during the year were Rs. 3,41,220 and Rs. 5,37,192, respectively, the result being a deficit of Rs. 1,95,972 as against - Rs. 1,27,190 in the preceding year.

11. **Dredger "Ronaldshay."**—The accounts of this dredger have been separated from those of the Grank Trunk

Canal and the expenditure on it has been classified as "Unproductive" under the orders of the Secretary of State. The dredger which was hired by the Government of India for the Andamans reclamation scheme sailed for the Andamans on the 6th December 1929.

The capital expenditure on this dredger up to the end of 1929-30 amounted to Rs. 54-63,931.

The hire realised during the year on account of work done by the dredger amounted to Rs. 58,455 of which Rs. 53,055 was credited to capital account and the remainder to revenue account. A sum of Rs. 71,357 was spent on repairs and upkeep.

12. **Dredgers "Cowley" and "Burdwan."**—The capital expenditure on these two dredgers up to the end of the year under review is Rs. 61,67,081. The hire realised during the year on account of work done by the dredger "Cowley" amounted to Rs. 10,821 of which Rs. 10,056 was credited to capital account. The dredger "Burdwan" remained idle throughout the year. A sum of Rs. 53,754 was spent during the year on repairs and upkeep.

13. **The Nadia Rivers,** which comprise an approximate length of 478½ miles, were thrown open to free navigation from 1st September 1923. The maintenance charges during the year amounted to Rs. 57,132 as against Rs. 59,670 in the previous year.

14. **The Orissa Coast Canal** is a navigation canal lying partly in this Presidency and party in the Province of Bihar and Orissa. The receipts and working expenses for the portion within this Province were Rs. 32,533 and Rs. 23,982, respectively, the result being a net revenue of Rs. 8,551 against the net revenue of Rs. 310 in the previous year. The increase in revenue was due to reopening of the Hijili Tidal Canal after thorough repairs.

15. **The Gaighatta and Buxi Khal.**—This khal is a connecting link between the rivers Rupnarain and Damodar in the Howrah district and is about 7½ miles in length. It has been leased out for three years from 1927-28 at a rental of Rs. 4,110.

16. **The Eden Canal** in the district of Burdwan and Hooghly was originally constructed for sanitary purposes, but is now used for irrigation also. It consists of 27·5 miles of main canal and 17·6 miles of distributaries including minor and village channels. Owing to the absence of a weir in the river Damodar the supply of water in the canal is at present precarious. It is expected that the supply will be improved when the Damodar Canal is completed. The area irrigated from the canal was 22,383 acres as compared with 21,353 acres in the previous year. The receipts and working expenses were Rs. 45,530 and Rs. 45,902, respectively, as against Rs. 44,091 and Rs. 44,284 in the previous year.

17. **The Amjore Weir.**—The weir was completed in 1927-28. The irrigable area is 700 acres of which 600 acres were fully irrigated during the year under review. There was a recovery of expenditure amounting to Rs. 12,000 in connection with the reconstruction of the weir against an expenditure of Rs. 6,822 on its upkeep.

18. **Training Works.**—Conservancy operations in the river Ganges from Rajmahal to Goalundo were carried out through the agency of the steamer companies who receive an annual subsidy of Rs. 21,000. Bandalling works in the rivers Dhalleswari and Buriganga were also carried out by the steamer companies on an annual subsidy of Rs. 17,500. Some shoals in those rivers were also dredged by them at a cost of Rs. 8,806, half of which was paid by Government. Training works in the Mahananda river from Malda to Godagari were also carried out by the steamer companies, and for this they were paid Rs. 7,000.

19. **Dredging.**—Dredging of shoals was done in the Lower Kumar and Attarabanka rivers by the suction dredgers "Foyers" and "Alexandra."

20. **Flushing and Drainage Works.**—Works in connection with the flushing of the Bhairab river in the Nadia district and the Gobra Nala in the Murshidabad district which were started in 1926 were opened during the year. The total expenditure on the two works amounted to Rs. 1,46,102 and Rs. 2,93,846 respectively, against the sanctioned estimates of Rs. 1,51,358 and Rs. 2,97,079. The cost of these two works has been borne entirely by Government.

The Soadighi-Gangakhali project in the Midnapore district approved under the Bengal Agricultural and Sanitary

Improvement Act, VI of 1920, at an estimated cost of Rs. 8,89,042 could not be taken up on account of financial stringency.

The construction of a three-vented sluice at Dhutkhali in the Diamond Harbour subdivision of the 24-Parganas district was completed. The excavation of a khal to connect the Arool Bil with the Bookbhora Bils in connection with the Arool Bil drainage scheme in the Jessore district was also completed during the year at a cost of Rs. 3,881.

21. **Irrigation Works in Western and Northern Bengal.**—Surveys and investigations were continued during the year in connection with the proposed distributary from Chautpore to Joteram, Darkeswar reservoir project, Suvankar Danra project, Dolong irrigation project, Bansloi irrigation scheme and More scheme, Part I. Discharge observations were taken of streams in the Midnapore and Birbhum districts, and a general survey carried out of important rivers and irrigation conditions of the country lying within the Birbhum subdivision.

In the northern districts of the Presidency investigations were in progress in connection with the North Bengal floods, Harischandrapur flood scheme, Tangon valley scheme, Gazna bil scheme, Seali bil irrigation scheme and Chalan bil scheme.

22. **General.**—The rainfall in the catchment areas of the rivers in the South-Western Circle was normal except in those of the Cossye and Selye rivers, where it was heavy in August. The rainfall was also abnormal in the district of Tippera, where the river Gumti rose in flood and breached the embankment in two places.

An Irrigation Committee was formed with Mr. W. S. Hopkyns, C.I.E., I.C.S., of Bengal, as Chairman to examine the work of the Irrigation Department of Bengal in respect of irrigation, navigation, embankment and drainage and to advise Government on the desirability of creating a separate department for navigation or of a provincial waterways board for the conservancy of the navigable rivers of the Province. The Committee submitted their report to Government recommending the creation of a waterways trust and the reorganisation of the existing Irrigation Department. Their recommendations are now under the consideration of Government.
